Turning Passive

Into Active

What is Modern?

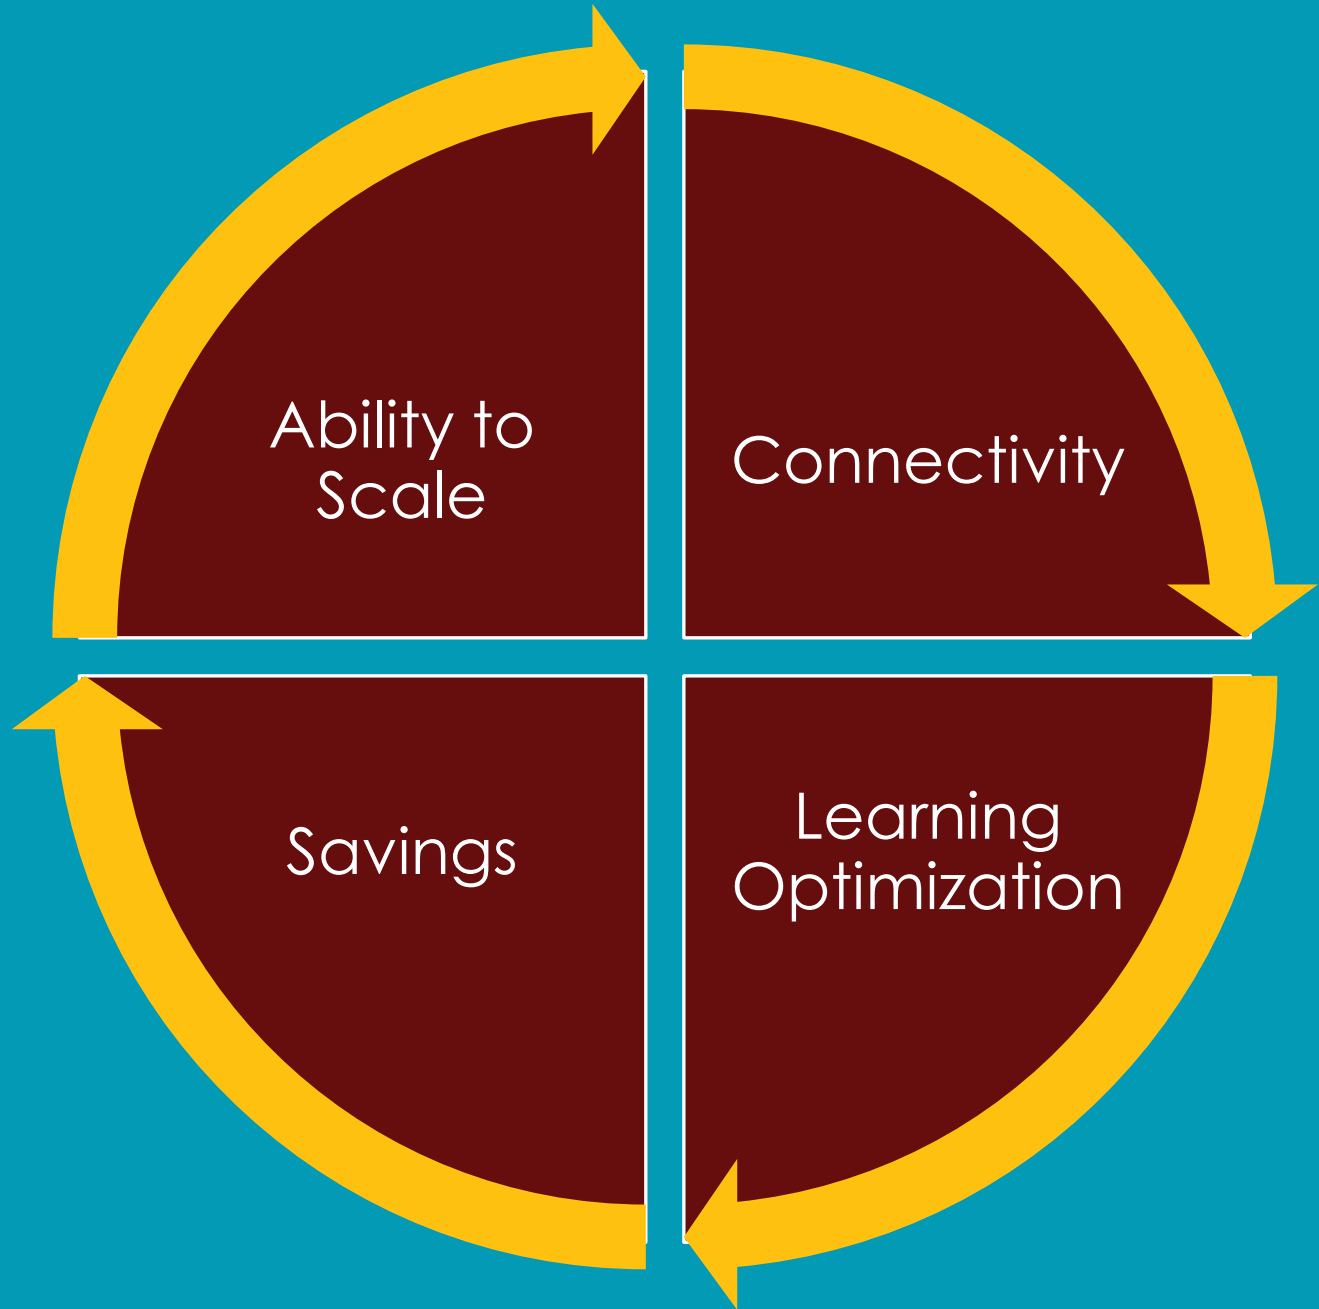

A Venn diagram consisting of two overlapping circles. The left circle is light green and contains the word 'Synchronous'. The right circle is dark purple and contains the word 'Asynchronous'. The overlapping area in the center is a darker brown color.

What is Modern?

Why?

Blended

Flipped

Blended vs Flipped

Blended

A portion of the in-class time is augmented by out-of-class activities

A portion of the class is supported by classroom activities beyond facilitated learning

Flipped

A portion of the traditional in-class time is replaced by out-of-class activities

Class time then spend on deeper learning
