5 OFTEN OVERLOOKED STRATEGIES TO ENSURE CAREER SUCCESS MY REFLECTIONS & ACTION IDEAS PLANNER

Use this resource sheet as a starting point for your career success plan. Activate these often overlooked strategies to fuel success in your career. See just how far you can go in your career this year!

MY REFLECTIONS:

For each of these often overlooked ways to ensure career success, add your reflections for the corresponding questions:

1. Leverage your strengths What are the things I do best? What skills am I most comfortable using? In what situations can I use different strengths?

2. Build a network of allies With whom have I worked and seem to have good camaraderie? What ways can I be proactive in reaching out to offer help with something, even before someone asks me?

3. Proactively manage your reputation What do I want people to think of when they hear my name? Do my words and actions contribute to or detract from the type of reputation I want to

4. Invest in ongoing personal development

What technical or soft skills do I need to further refine in preparation for my next career

If I could carve out time to work on just two development areas this year, what would they be? Which will be of greatest benefit to me?

5. Engage the right mentor

How could I most benefit from a mentor this year? Who possibly would be able to assist me in this particular area?

MY ACTION IDEAS:

Add three to four action ideas to activate these strategies in a way that will work best for you. Prioritize one action idea that you can begin working on within the next seven days.

Action Ideas that can fuel my success:
